Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

I am writing to urge a NO vote on this bill. This flies in the face of hundreds of thousands of Oregonians (your constituents) who signed a petition that was approved, in form, by our Secretary of State. The petition includes the date of the November election. A legislative change to the date would be an affront to me, and all of the others who, in good faith, signed the petition.

Thank you, for your service to Oregon. Please vote NO.
