

Submitter: jan nelson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

as an organic farmer in the Crow area west of Eugene, i oppose this legislation. i have been a member of the SB1010 LAC for the Upper Willamette Basin Agricultural Water Quality Management Area since 2001. i was a early board member and treasurer for the Northwest Land Conservation Trust. we need to value our farming environment by keeping it rural and free of commercial activities.
