Measure, Appointment or Topic: SB1599

I oppose SB 1599, as one of the 250,000 Oregon voters who signed the referendum I expect that these tax increases be decided by the voters on the November election as was clearly printed on the signature sheets. We are tired of not being listened to by the Democrat majority of Oregon. As the government body voted into power by the citizens of Oregon I expect you all to do the correct thing and listen to the voice of the people to keep the tax vote on the November ballot.
