We the People of Oregon Have Already Spoken in reference to this bill. I do believe that we spoke very clearly that we are done with being taxed into poverty, so you can waste our money, that we work for everyday! We have been very adamant on not wanting it moved. The petition was written for the November 2026 election! There is no reason for moving it other than not wanting to be on the November ballot to coincide with the governor & other's being on the ballot for reelection! Please learn to budget with the money you have already been GIVEN, just like the rest of us have to do every day!
