Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

I oppose SB1599. Oregon voters have specifically requested that this beyond the November 2026 ballot. This is political manipulation at its finest. And serves to show a type of corrupt behavior by some of our political representatives. Rushing this to the ballot prematurely does not give time for comment. And it is not what voters have requested or are entitled to. We The People, will remember anyone who votes in support of this manipulation.
