Measure, Appointment or Topic: SB1599

Dear Legislators,

Please do not take our voice away by holding the referendum vote in May with a historically low voter turnout. We understood when we signed the petition that the vote would be held in the November'26 election. We, the general public want a voice in this ramming more taxes down our throats. We cannot tolerate more. It's time for you, our elected officials to tighten the spending belt. Thank you.

Cordially,
