Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1541

Climate change, as used by politicians, govt agencies, ngo govt affiliations, and some gullible, brainwashed citizens, is a scam meant to make the poor poorer, disintegrate any remnants of the middle class, and fill the pockets of said politicians, govt agencies, and ngos. It's shameful how far removed from their constituents peoples' representatives have become to try to ram through more and more tax laws that finance literal waste and even corruption.
