Once again, we are dealing with representatives who are choosing to not represent the people of Oregon. They pander to only themselves and their political careers. Well, shame on you. But have no fear, do as you wish for we will take down your names and vote you out. I would have hoped you learned a lesson when 250,000+ signatures were submitted in opposition of your tax pushing ways. Oregon has had enough. You have woken the people up and we are prepared to fight. Not like your liberal pansies in Portland fight. Nope, we will do it with our votes.
