I oppose changing the election to the primary because it doesn't not leave anyone time to submit testimonies in the primary voter's pamphlets. Besides which the initiative stated the November election. You are once again not listening to the citizens of Oregon. Did you not learn your lesson about not listening when you passed the transportation tax bill? The citizens you represent changed Oregon history in 13 days! We did it once we can do it again. This is nothing short of political corruption!
