2026-302

Measure, Appointment or Topic: SB1599

I strongly oppose SB1599. The Referendum Petition 2026-302 requested specifically to be placed on the November 3rd ballot and that's where it should go. It should NOT be placed on the May ballot. Quit going against what the people of Oregon ask for and have worked so hard for. You try to shove more taxes down our throats and when the people have spoken and succeeded with getting it on a ballot to vote on, you waste time and energy trying to stop the people again by not putting it on the November ballot as request and noted on the referendum. I ask that you listen to Oregon voters.
