On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

We the Oregon voters have been denied the right to vote on bills and measures that affect our wallets. Taxation without representation is why we had the Boston tea party. We have sent enough signatures to remind us of our right to be heard and now you want to change the date on that as you push other bills through the legislature to deny fine and remove individuals rights. We want on the November ballot per our Constitution and the page of the referendum.

Thank you
