Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

I am opposed to HB 4153. Oregon farmland is too important to allow commercial non farm uses to degrade it. Please vote no.

I visited a local farm store last summer for fresh vegetables and fruit. There were none available. All products for sale were things that were marketing the farm. Not what I would expect from a farm store.
