To Whom It May Concern,

I am not sure why I am having to write this at all, as Oregonians made our position clear when we signed the petition to stop wasting Oregon's money on this transportation bill. We respectfully request that you do what we asked and place this measure on the November ballot.

Moving it to May so you may have a better chance due to lower voter turnout is not your decision to make. Oregonians have spoken, and we should not be pushed aside simply because you disagree. We followed the law — and it is time for Salem Democrats to do the same.

Thank you for your time,
Cheryl Gordon Dollar
