Topic: SB1599

It is not democracy to circumvent the will of Oregonians. The Secretary of State approved the Referendum verbiage to include a General Election time table. The Secretary of State verified & accepted a 200,000 signature forms with the General Election date. End of story. The people will have their say on the General Election. If the Secretary of State didn't agree to the terms, they ought not have been accepted. The Referendum belongs on the November General Election ballot. The people were clear. End of story.
