Topic: SB1599

I do not approve of this Measure. You did not listen to citizens who said they did not want this gas tax in the first place, and you attempted to bypass the very people you were elected to represent. Now you are trying to take away their voice again.

Frankly, I'm not even heavily opposed to the gas tax. What I'm opposed to is Oregon's legislators thinking they know better than the people they were elected to serve.

VOTE NO.
