On Behalf Of:

Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

Please Sirs and Madams, the people have already determined that this issue should be voted on in the November election. Why the rush to push for a vote in May? There is lower voter turnout in May. Do you not want more people to vote on this issue? If you truly care about the peoples' will, you would wait until November when historically more people vote. This tax will affect all the people of Oregon, let more of them vote!
