I strongly oppose this going on a May ballot. I didn't volunteer my time and effort to allow myself and 250,000 fellow Oregonians voices be heard just for you to again try and silence the very people you are supposed to work for, not against. We did something we were told couldn't be done and now you want to change the rules yet again. This needs to be on the November ballot, end of story. I really hope you reconsider this plan and hold to our constitutional right to vote on this the way we should and not try and silence our rights yet again. Please reconsider what you are doing. Thank you.
