No, No, No!!

The citizens signed a petition to vote on this ballot measure on the November ballot. Sorry, but because you're going to lose big time, you don't get to override the will of the people and move it to May.

We petitioned to have it in November so we have time to organize. You know full well that by moving it to May, our organizing efforts would be greatly impacted. This is not how a Democracy works -- using procedural tricks to thwart the will of the people!

Oppose!
