"Attn: Oregon State Treasurer and Legislature,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain.

Failure to act at this point will result in a number of of preventable setbacks, including an estimated 2,089 more patient transfers and 182 preventable deaths per year.

Please do what you can to save the Bay Area Hospital. It provides critical health care service to Oregonians who would otherwise not be receiving timely medical care when needed.

Thank you.

From,"
