Measure, Appointment or  
Topic: SB1599  
Re SB 1599,

Purpose of changing election date? The Referendum Petition did not ask for a change from Nov to May. The legislature and governor attempted to bypass the citizens of Oregon in passing the original transportation bill, and are again not faithfully fulfilling the will of the people. You are leading us into turmoil, and not REPRESENTING (as you were to) your contingency. Stop trying to RULE, and start REPRESENTING! Oregon is losing its taxpaying citizens and businesses. Manage YOUR business, which is the business of the citizens of Oregon, efficiently and responsibly. THAT is what you were elected to do! Don't be that egocentric, narcissistic person. Be that ELECTED REPRESENTATIVE who SERVES their contingency. Serves ALL, not just the donors.

Things are not going well in Oregon, the people see it. Help Oregon to be the State people WANT to live in, want to support, want to participate. Represent us. Vote NO on a measure that never should have been brought to the floor in this short session. Waste of precious time, get down to the business of Oregon!

Thank you.
