2026-302  
Measure, Appointment or  
Topic: SB1599

I oppose the provision of more money to ODOT until ODOT has developed a history of providing projects that are on time and on budget and demonstrably in the best interest of the people of Oregon. SB1599 is clearly a ploy to reduce the number of people who will vote to oppose the provision of more money to the bloated bureaucracy ODOT has become. That vote should be allowed to take place in November, 2026, as anticipated by the petition that voters approved.

Respectfully,  
Ernest A. Renner
