I strongly oppose this bill! We gathered over 250,000 signatures to refer this bill to the voters. This is yet another ploy by the Democrat majority to save their party from political backlash. You know that the voters did not want this tax to begin with. Then, we the voting tax base said no, with resounding support! Understand, WE Oregonians are untrustworthy of the Democrat leadership. We will not forget what you are doing by pushing this to the primary. It is time for a change in Oregon, and this bill says it loud and clear that we've had enough!
