"Hello State Treasurer and Lawmakers,

Please support HB 4075 to help the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain. All citizens along the south coast depend on our hospital.

The doing nothing risks the economic health of the region as well as local lives. It means an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments. That can only be good.

Please do what you can to save the Bay Area Hospital.

Respectfully, Margaret Ann Anderson "
