To Whom It May Concern,

I am writing to express my strong opposition to moving up Oregon Referendum Petition 2026-302. Over 200k Oregonians signed the referendum which stated that it would be voted on in November. This disenfranchises voters in Oregon as this is a special election and the turnout is lower.

Should you move up the timeline to put this on the ballot, it's not only wrong but shows your continued disregard for Oregon voters.

For these reasons, I respectfully urge you to keep Referendum Petition 2026-302 on its normal schedule.

Sincerely,
Wendy/Shawn Sieben
