

Submitter:

Robert Miller

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or

HB4153

Topic:

I oppose this lame attempt to undermine the intent of the UGB.

HB 4135 will convert farmland to retail and undermine years of efforts. This bill eliminates the good neighbor analysis required for agritourism permits to ensure events and conform activities don't negatively impact other farms and farmers.
