To Whom It May Concern,

I am writing to express my opposition to moving up Oregon Referendum Petition 2026-302. Oregonians overwhelmingly opposed this bill from the start. We had bipartisan support to refer this bill to the people of Oregon in NOVEMBER as states on the petition.

Moving this bill to an earlier election further demonstrates that you aren't listening to the will of the people. Moving this bill to an earlier election where voter turnout is lower is simply unfair and wrong.

Sincerely,
