"Hello Treasurer Steiner and Legislators,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please do what you can to save the Bay Area Hospital.

With regards,"
