We the people have spoken, you work for us! Stop undermining Americans and Oregonians. There is no emergency that warrants a change like this. This is abusing the system and we can all see the foul play going down. We are fed up with the lies, deceit, bs. If you continue to raise taxes, slowly destroy our lives we the people will rise up and remove the cancer! We will not be slaves to a corrupt government! We will decide on the tax issue in November when everyone can vote. Do not move it to may when most don't vote we are sick of your games and actions like this are stealing more and more Americans into standing up against this government. We will not go down without a fight! Do not move this vote, we demand it stay in November for the people to vote on!
