We The People have had enough! Our trust has been irrevocably broken. We signed the petition to add the referendum on the ballot November 2026, and did it in record time. The Oregon State Elections Office approved the referendum to be added on the November 2026 ballot. The sneaky, corrupt democrats want to try and change the approved date to avoid an election nightmare in November. They think they can violate our constitution and change the referendum date without any pushback. They think we are going to forget this flagrant betrayal of our rights before November. They are wrong!
