"Dear State Treasurer and Lawmakers,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

I'm hoping you will stand up in favor of the Bay Area Hospital.

Sincerely,
