Measure, Appointment or Topic: SB1599

Our family Opposes SB 1599. Over 250,000 Oregon citizens signed the petition to be put on the November ballot. The people who sponsored this legislation are totally tone deaf to the will of the citizens who signed the petition. Just because the very corrupt and totally inept governor played games with the voters and she lost and now her corrupt minions want to change the date to May? These sponsors are telling the voters we will piss on you! You are going against the will of Oregonians who signed and stated stop the taxation! So, get a hint, stop the taxation and leave the Ballot Measure on the November date. Our family opposes SB 1599.
