"Hello Oregon Leaders,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 180 preventable deaths each year.

Please support local healthcare access and act to save the Bay Area Hospital!

With regards,"
