Measure, Appointment or SB1599
Topic:

I oppose this bill - SB1599. this is a blatant attempt to subvert the will of the 250,000 Oregonians that signed the petition to see this on the general election ballot. It's a direct and illegal attempt by the Democrats and Tina Kotek to make sure their names are not on the same ballot as this flawed and bad piece of legislation. Let the people vote on this on the date it was supposed to show up. Do your job for a change and support the will of the people you supposedly represent. Oppose SB 1`599 and don't even let it out of committee.
