2026-302  
Measure, Appointment or  
Topic: SB1599

**To Our Delegates:**

The people of Oregon have submitted our objection to the previously proposed taxes increases. We are approved to have the increase on the November ballot. To try and change the date is not only going against the people, it is undermining us and telling your constituents we don't matter. Well, we do matter. We choose you to represent us and you are not doing so by going against our voices. This issue must remain on the November ballot as approved. We are opposed to SB1599. Vote no on SB1599.
