2026-302

Measure, Appointment or Topic: SB1599

The people of Oregon overwhelmingly petitioned to have this tax raise put to a vote of the people on the November ballot and that's where it should stay! Trying to move it to a time when there is a marked lesser amount of voter turnout is a crime, all on the shoulders of the Democrats running this state and hoping they sneak there dishonesty in behind the people's back! It should be allowed to happen.
