This just feels so slimy. First you (democrats) shove this bill thru. Then the people of Oregon file a petition for referendum when gets resounding support. But that's not what you (democrats) want. So instead of listening to the people they voted for you, you push thru this latest stunt of trying to move a bill that THE PEOPLE SHOULD BE ALLOWED TO VOTE ON!!

Stop the insanity & listen to the 250k people who signed the petition. This is wrong & more people will be running from this state.
