"Hello Oregon Leaders,

I am urging you to vote YES on the legislative package to assist the Bay Area Hospital, including House Bill 4075. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

If the State is unwilling to assist the Bay Area Hospital, it will likely downgrade to a ""type B"" hospital. This comes with a number of costs to wellness and the local economy, including an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

Please do what you can to save the Bay Area Hospital.

With regards,"
