Measure, Appointment or  
Topic: SB1599

Greetings,

My husband and I made the effort to go find a place to sign the petition in opposition to Gov Koteks horrible “gas tax” bill she planned to shove down our throats even though there was massive opposition to it! We want it on the November ballot to vote on. NOT the May special session. The majority has spoken. You need to listen.

Thank you for your attention to this matter,

Scott and Sue Pollard
