"Dear State Treasurer and Lawmakers,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 180 preventable deaths each year.

Please support local healthcare access and act to save the Bay Area Hospital!
