Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing to urge you to oppose HB 4113.

I live in Oregon because of its protected natural landscapes and the land use system that preserves them—not because of commercial development. These protections are essential to the environmental and economic health of our communities.

HB 4113 would weaken Oregon's land use system to benefit a single private stakeholder. With many urgent priorities before you, I respectfully ask that you reject this bill.

Thank you for your consideration.

Sincerely,
Caitlin Jensen
