"Attn: State Treasurer and Lawmakers,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

Failure to act at this point will result in a number of of preventable setbacks, including an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

We're counting on you to help support the Bay Area Hospital!

From,"
