

Submitter:	Maryssa Stumpf
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1541

I support SB1541, because I believe that major polluters should pay for their climate damages. Climate Superfund laws like this one have been proven in other states like New York & Vermont, as they help raise new revenue to pay for critical infrastructure needs and prepare for extreme weather events-- which is a burden that shouldn't fall on the every day taxpayer.
