

Submitter: Sandie Stockton
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB1541

Yes I'm very concerned about the pollution especially the pollution in the White House it needs to be cleaned out all of it the president and all of his man need to go they're corrupt they're Liars they're embarrassment to America so do something about it and then the rest will all fall in place nothing else why don't we all just pray that he dies we'd all be better off if he was gone
