I am opposed to moving the referendum to the May ballot when 250,000 voters submitted support to put this bill to a vote by citizens of Oregon on the November ballot. We expect our legislators who WORK FOR THE CITIZENS OF OREGON to adhere to our overwhelming support to vote on this in November. If the Democrats who pushed this bill through are concerned that having this on the ballot with their names on the same ballot might lead citizens to not vote for Democrats up for reelection I can assure you that if Democrats move this referendum to May ballot that we the citizens will do everything thing possible to vote these candidates out of office! The idea that by putting this on the May ballot because less voters turnout and Democrats think it will pass is a political stunt! Kotax and the rest of Democrats in Salem need to listen when we Oregonians tell you that we are tired of being taxed because the Democrats in office and the agencies that they oversee cannot work with in a budget! This bill is a horrible piece of legislation and should not be allowed to pass! You folks in Salem need to remember that YOU WORK FOR THE CITIZENS OF ALL OF OREGON! We are watching and will remember all of you in November!
