"Dear Oregon Leaders,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including the loss of 97 full-time jobs and \$9.1 million in local wages.

Please, I am a new graduate nurse and I cannot find a job at the hospital because of their financing issues, my livelihood is at risk. Please don't let my 20k of college debt go to waste :))

I'm hoping you will stand up in favor of the Bay Area Hospital.

From,"
