Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Thank you for the opportunity to comment. This bill is a reckless and dishonest way for a single entity to revive a long-dead entitlement to inflict permanent damage on Oregon's environment. Allowing an unregulated development outside of a UGB goes against key tenets of Oregon's land use law as well as important local regulations. It creates serious wildfire risks and public service impacts on rural lands. Thank you for turning down this cynical effort to end-run the laws and interests of our people.
