SB1599

As a citizen of Oregon I don't believe it's fair that we have put in more than enough votes to stop the no gas tax. The people of Oregon in overwhelming numbers have not only said no to this but we are frustrated that our government in Oregon is not listening to the will of the people somewhere along the lines the government of Oregon has lost their way you are representatives of the people of Oregon not the Democratic Party the people of Oregon do not want any more taxes we are taxed to death the taxing needs to stop.
