Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing today to ask you to oppose HB 4113.

As an Oregonian, I value the land use principles that help keep our state healthy environmentally and economically. Upholding our land use system is key to both. As an AP Environmental Science teacher, I am well versed in the importance of thoughtful land use as we plan for a livable future in Oregon. I recently taught students of the importance of limiting sprawl, and the benefits of Oregon's land use system for people and the environment.

This bill would benefit one private stakeholder at the expense of our land use system. With so many other important priorities in front of you, I hope you will quickly reject HB 4113.

Sincerely,  
Elinor Wilson
