

Submitter:	Maurine Canarsky
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1541

I support the creation of the Climate Resilience Superfund. It is time to hold polluters accountable and make large out-of state fossil fuel companies pay their fair share. You have the power to shift the costs from your constituents to these huge corporations. Pass SB 1541 and finally make these polluters pay for the devastating damages they've done to communities in our state.
