Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

I am opposed to the attempt to move the vote, for Referendum Petition 2026-302, to the May 19 election. I joined 250,000 of my fellow Oregonians and signed a petition to put this referendum on the November ballot. Just because it is politically inconvenient, for the governor and other officials running for re-election, is no excuse for attempting to move it. The governor's extremely poor decision, to force this horrible bill upon the citizens, will be overturned. Moving it, for political reasons, is just a slap in the face of all of us that signed the petitions. I urge every member of our legislature to vote a resounding NO on SB 1599
